Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.

4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title “tab”, on the tray insert, is for CD case with a transparent tray. Remove this “tab” if the CD case has an opaque tray.
6. Fold the left and right long narrow title“tabs” to a 90 degree angle, away from the main tray cover portion. If the right-most “tab” is retained for a transparent tray, fold that “tab” 90 degrees again, away from the title “tab” next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.

10. Please appropriately discard this portion and the scrap bits of paper.

The Green Rust

A millionaire is taken suddenly ill, and sensing his mortality, he asks his attorney to do him one last favor−−to find and secretly watch over his missing niece, the daughter of his profligate deceased sister. This niece at the appropriate time would become heir to his millions. However, the millionaire is mysteriously murdered, stabbed to death in his sick bed. Oliva Cresswell, the unsuspecting niece, has been a cashier in a large West End store for five years when she meets a Mr. Beale, a self−described wheat merchant, is attacked in her flat and rescued by this Mr. Beale, is offered a job as his confidential secretary, refuses him, is unexplainably sacked and finds herself in need of his offer. The mysteries multiply and deepen as the story proceeds.
